

Rm 109

Brown City HIGH SCHOOL

BROWN CITY COMMUNITY SCHOOLS

# Jr. High Science

## CLASS CONTENT:

Eighth grade science will cover the basic concepts of Earth Science.

The students will explore the lithosphere, hydrosphere and atmosphere.

Science 7 will cover Chemical Change, Weather and Me, Energy Effects and Cells.

Seventh grade math/science/life skills will cover the following subjects: Basic math skills, Graphing, Fractions, Cells, Sound and Light, Earth, Matter, Parade of Life and Weather, Social Skills, Organization and Study Skills.

We will be working on various projects with each unit. We will be working with science equipment in a lab setting. I expect a wonderful and fulfilling school year.

To earn credit for each semester students must pass 2 of the 3 grades used to calculate the semester grade (2 marking period grades and the exam grade). Students must also have an overall average grade that is passing using the formula: each marking period is worth 40% and the exam is worth 20% of the semester grade.

This year my conference hour is second hour. My e-mail address: [cburton@bc.k12.mi.us](mailto:cburton@bc.k12.mi.us). The school website address is <http://bc.k12.mi.us>. My classroom is room 109 in the east wing of the school.

### FIRE DRILL- (5)
